THE PRESIDENT EXPECTED TO ARRIVE IN CINCINNATI.

LOUISIANA CITIZENS' COMMITTEE IN NEW YORK.

OPINION OF ATTORNEY GENERAL WILLIAMS.

SEIZURE OF THE NEW ORLEANS TIMES.

ETC., ETC., ETC.

[Reported, especially for the Bulletin.]

NEW ORLEANS COMMITTEE.

WASHINGTON, Dec. 21.—The New Orleans committee will hold another meeting Monday. They will agree upon an address to the people.

NEWSPAPER SEIZED.

NEW ORLEANS, Dec. 20.—A sensation was caused to-night by the seizure of the New Orleans Times newspaper office, by the United States marshal, on an order of Judge Durell of the United States court. The writ of seizure was issued in the case of J. W. McKee, claiming to be a creditor of C. A. Weed, publisher of the Times. The object is to force Weed into bankruptcy. There will be no Times issued to-morrow, though the printers and employees offer to work a week without compensation.

ORTON'S ORGAN.

NEW YORK, Dec. 21.—The latest report in regard to the Tribune, is that Mr. Orton has tendered the chief editorship to James G. Blaine, speaker of the house of representatives. It is said Mr. Blaine was Mr. Orton's first choice, and that negotiations with Mr. Colfax were due to Mr. Sinclair. Mr. Blaine has the proposition under advisement.

The sub-committee of Louisiana citizens' delegation arrived here this forenoon. Their visit is made with a view of taking some measures in the North which may have an influence in reference to the troubles in New Orleans. The committee had a consultation meeting at noon and discussed the subject, but it is understood that no definite action was taken. During the day they waited upon John Foley, a member of the committee of 70. Congressmen Roosevelt and other citizens were present. They related their grievances and asked for suggestions. Foley suggested that they petition the president, who, in his opinion, would promptly remedy any grievances existing.

REPORT.

NEW ORLEANS, Dec. 21.—Judge Alexander Walker and E. C. Hancock, associate editors of the New Orleans Times, will issue a newspaper to-morrow. The Times' suspension caused a general expression of regret.

THE PRESIDENT.

CINCINNATI, Dec. 21.—President Grant engaged rooms at the Burdett House, but at midnight had not arrived. He is expected at 3 o'clock in the morning.

THE LAST BOND.

WASHINGTON, Dec. 21.—The last outstanding bonds amounting to \$5,500 of the loan of March 31, 1868, have just been paid.

CAN NOT BE CHANGED.

Nearly all the members of the Louisiana delegation go home fully satisfied that nothing can be done to change the present status of affairs in that state.

COLFAX.

A telegram from New York says further transfers of Tribune stock will be made, so as to overcome Colfax's objections to accepting the editorship.

OPINION GIVEN.

WASHINGTON, Dec. 21.—The attorney general has given his opinion in the case of Frances Heinrich, who claimed protection of the American government from being made to serve in the Austrian army, on the ground that he is an American citizen. Heinrich was born in New York in 1850, of Austrian parents, who had resided there temporarily, and who, two years after Francis was born, returned to Austria. Mr. Williams decides that Heinrich is not an American citizen, because under the treaty of 1870, the residit five years continually in Austria, and availed himself of an Austrian passport to travel, and that the fact of his being born in the United States don't make him a citizen of this country.

JUDGES BRADLEY.

Said he was not desirous of going to New Orleans to hold court. It is certain he will not do so unless at the suggestion of the president.

SUPREME COURT.

It is also understood that the supreme court regards itself without any power over the question of Judge Bradley's going to New Orleans in the present emergency.

FORNEY AND McCOMB.

NEW YORK, Dec. 21.—Forney in his press, this morning, addresses McComb and defends his character from the attack of James Brooks.

MISCELLANEOUS.

GEORGE FRANCIS TRAIN IN THE TOMBS.

CATACAZ NOT DISGRACED AT HOME.

JURY COMPLETED IN STOKES' CASE.

ETC., ETC., ETC.

[Reported especially for the Bulletin.]

TRAIN IN TROUBLE.

NEW YORK, Dec. 21.—In the oyer and terminer court to-day Geo. Francis Train pleaded guilty to publishing a paper called the "Train League," which, according to the indictment, is an obscene publication, but exonerates Nicholas from complicity. The latter was bailed. Train remained in the Tombs.

SETTLED.

The settlement of Gould with the Erie company was consummated to-day.

PORT PACKING STATISTICS.

CINCINNATI, Dec. 21.—The superintendent of the chamber of commerce, Henry D. Maxwell, who has been gathering port-packing statistics for the chamber's information, submitted a preliminary report to-day, from which it appears that 103 towns and cities in the West, exclusive of Cincinnati, Chicago, St. Louis, and Louisville, had packed, up to various dates, ranging from December 8 to the present time, 585,000 hogs; estimates for the remainder of the season, made by packers in other places aggregated 1,296,000—making the whole number for these places, which embrace nearly all principal packing points of the West, exclusive of the four cities named, 1,885,000. This would make an increase over last year for the whole season in the places, of 2,895,000 or 18 and 56-100 per cent. The remainder of the West, not including the four cities named, packed last year 631,000. If the increase in these places unheard from, should be in the same ratio, and a like increase take place in Cincinnati, Chicago, Louisville and St. Louis, it would make the whole increase in the four cities, 475,000, and in the remainder of the West, 887,000 and it would make the aggregate packing of the West for the season, 5,670,000.

COLD WEATHER.

PARSONS, KA, Dec. 21.—Six inches of snow here, and the weather is colder than has been known for years.

A TEST CASE.

Everything indicates the early and satisfactory settlement of the land difficulties recently so exciting, along the line of the M. & T. railroad. A test case is to be submitted to the courts for speedy and final decision. No further trouble is apprehended.

The M. & T. railroad will be completed to Dannison to-morrow night.

CATACAZ.

NEW YORK, Dec. 21.—Information has been received that ex-minister Catcaz has not fallen into disgrace with the czar. He has just been employed to adjust certain ecclesiastical difficulties between the pope and the Russian government, concerning the appointment of Catholic bishops in Poland.

STOKES.

A full jury was completed in Stokes case to-day.

CASUALTIES.

DESTRUCTIVE FIRE AT ST. PAUL, ALSO ONE AT DARDENELLE, ARKANSAS.

FIRE.

LITTLE ROCK, Dec. 21.—A fire occurred at Dardenelle last night, destroying nearly half the business part of the town, and the land-office and post-office, and all the books in the land office were destroyed. Valuable documents in the post-office were saved.

MILWAUKEE, Dec. 21.—A fire at St. Paul this morning burned the old Settler's Home on Bridge street, together with Warner's block and Pina's saloon. Loss \$20,000.

RECOVERED.

ROME, Dec. 21.—The king has almost entirely recovered. An army bill was introduced into the Italian parliament to-day, providing that all Italians between 18 and 40, shall be subject to military duty.

EXPULSION.
